

LAUNCH EVENT

Baltic Neighbourhood Planning Forum

You are invited to attend the launch and AGM of the Baltic Business Neighbourhood Forum at Constellations on **Wednesday 16th March 2016 at 5.30pm**

In August last year, the City Council granted the official designation of the Baltic Triangle area. (see attached area designation map) The area is a rich mix of business, living, leisure, learning, production, innovation and creativity. The Forum's purpose is to produce a Neighbourhood Plan in order to help sustain and strengthen the diversity, character and prosperity of the Baltic area into the long term. We are keen for the area's community to be involved in the creation of the Plan and so please attend if you can. The Forum membership is open to individuals who are either resident or working for businesses based in the Baltic Triangle area.

The meeting will start informally with a social gathering and at the end of the meeting, we will be holding a surgery for specific questions in relation to the Forum and the Plan. We would appreciate it if you could please email us if you are interested in attending so that we have a clear indication of numbers.

We look forward to seeing you soon,
Howard, Laura and Steve.
