8 May 2019

Dear Resident/Business

Important Information

Potential Liverpool Football Club Victory Parades, Monday 13 May and Sunday 2 June 2019

Plans are in place for victory parades should Liverpool Football Club win the Premier League and / or the Champions League. If successful, Liverpool City Council will formally invite the club to hold a victory parade in the city which will be held the day after the last match of the Premier League on **Monday 13 May** and on **Sunday 2 June** the day after the Champions League final, dates requested by the club.

The champions of both competitions will not be known until the day before each planned parade, however due to the major logistical challenges needed to arrange parades of this scale, the announcement is being made in advance so residents and businesses in the city can be prepared for the potential events.

The Parades on both dates are planned to start at **4pm**, and are expected to last for a number of hours, seeing the Liverpool FC team parade the winning trophy on an open top bus, travelling along Liverpool's UNESCO World Heritage Waterfront.

The Parade route on both dates begins at Allerton Maze, onto Queen's Drive, Millbank, West Derby Road, Erskine Street, Islington, Hunter Street, Leeds Street, The Strand and ends at the junction of The Strand and Blundell Street.

Road Closures

Please note the Strand will be closed northbound on 13 May and 2 June from Leeds Street / Old Hall Street junction to the Upper Parliament Street / Great George Street junction from 9.30am to 11pm or until it is safe to re-open. The southbound lane will be closed from approx. 5pm until 11pm, again subject to crowd safety requirements.

The closures for Allerton Maze, Queen's Drive, Millbank, West Derby Road (outward bound), Erskine Street, Islington, Hunter Street and Leeds Street will not go in until the parade approaches unless the size of the crowd at any point causes a safety concern.

West Derby Road city bound will also be closed from Sheil Road at 4pm until the conclusion of the parade in this area.

Yours faithfully

Jason Dolman & Jen Falding
