Dear Resident/Business Owner,

Road Closure Information re: Liverpool's Dream Event 5th – 7th October 2018

Culture Liverpool have invited Royal de Luxe back to the city and the city region to deliver the final part of the trilogy of the Giant Spectacular events. The event will see Liverpool City Centre again host the giants but will also be visiting the Wirral and South Liverpool, as the backdrop for a story written specifically for Merseyside.

The event will see Giant marionettes tell a joyous story of dreams and hopes, a story which will engage the public on all levels through its creative madness and frivolous fun. It will showcase the city and the Wirral as a beautiful backdrop to this spectacular show.

The event will cover approximately 20 miles of the region's highways and we are writing to you to provide information and timings on road closures that will be required as part of the event.

You have received this information as we consider that there may be some disruption or restriction to your usual means of access and egress to your premises. We will try our best to maintain access and re-open roads as quickly as possible. However, this will be dependant upon the numbers of people viewing the event, as safety will always be our priority.

The main roads that will be affected in your area include:
