Dear Resident / Business

RIVER OF LIGHT- THE ELEMENTS
SUNDAY 4 NOVEMBER 2018 – 5.00PM TO 8.00PM

This year, as last year, we are holding the annual Firework Display on the River Mersey named the 'River of Light – The Elements'. Once again Liverpool and Wirral Councils will be working in partnership.

This letter refers to the Liverpool side only. The viewing areas for this event are Riverside Walkway, Pier Head, Princes Parade and secondary viewing at Kings Parade (by the Echo Arena and Convention Centre).

To enable the event to take place safely we have had to implement the following road closures:

Sunday 4 November 2018

Pier Head

8.00am until 8.00pm

There will be a number of road closures including Canada Boulevard, Brunswick St, Water St and St Nicholas Place. Mann Island will be closed at its junction with Georges Dock Way. Access will remain throughout for residents and businesses based in the Mann Island development, as long as it is safe to do so. Residents and businesses requiring vehicle access are asked to avoid arriving or leaving this area between the hours of 5.30pm and 7.30pm as long delays are likely.

Mann Island residents will be able to access the underground car park from Georges Dockway until 4.30pm, after this time they will need to access via James Street, if it is safe to do so.

The Strand/Goree/Strand Street

5.00pm until 8.00pm

For the safe ingress and egress of public attending the event it will be necessary to close The Strand/Goree and Strand Street between Liver Street and Leeds Street from 5.00pm to 8.00pm.

In order to facilitate the above it will be necessary to place restrictions on the following roads:

Chapel Street - Water Street – Brunswick Street (City Side) and James Street.

Access will be maintained and signposted to Liverpool ONE Car Park and residents from James Street, as long as it is safe to do so.

Albert Dock/Gower Street**5.00pm until 8.00pm**
