400,000 sq. ft

of Grade A office space, plus a new upscale hotel and complementary retail and leisure uses.

130

Cycle spaces with shower and changing facilities, the introduction of Electric Vehicle charging points and a reduction of 150 car parking spaces on the site.

995 sq. m

An increase of 550 sq. m in planted areas with greater bio-diversity within a green space the equivalent space of Williamson Square

£200 million

Gross Development Value (GDV) investment in transforming Liverpool's Commercial Business District.

Pall Mall Liverpool has an important role to play in extending Liverpool's commercial business district and helping to grow the Liverpool City Region economy. It can be a catalyst for Liverpool and the wider City Region, helping to make the city the obvious choice for leading companies looking for a base in the North West of England. Pall Mall will help Liverpool attract and retain talent within the city and we expect it to deliver over 2,000 knowledge-intensive jobs.

Set within attractive city centre gardens our vision is to set a benchmark for working environments in Liverpool by creating a distinct city centre destination for workers, residents and visitors to enjoy.

HAVE YOUR SAY!

To have your say on the proposals for the redevelopment of Pall Mall Liverpool then please visit

www.pallmallliverpool.co.uk

Leave your comments on the proposals in the dedicated feedback section of the website. All comments will be reviewed by the project team to inform the final proposals ahead of a submitting a planning application.
